Hi there,

I'm fredrick 21 years old. My mom kicked me out from the house when i was 17 so I haven't had the chance to save up so i could use some money for my school bills and drivers license etc.

I need it pretty quick or i get kickt from school... I work 2 student jobs to pay for all my stuff but the banks won't give me a loan...

I will pay you back monthly with an amount we discuss, and i'll pay transfer the rest back if i got something over.

I would need roughly 5000 euro.

If you're the person that i need and you want to help. I hope to hear from you!

Kind regards, Fredrick
